WEST CHESTER UNIVERSITY invites applications for the position of:

Tenure-Track Assistant Professor of Computer Science

**SALARY:** Not Displayed

**OPENING DATE:** 11/30/16

**CLOSING DATE:** Continuous

**POSITION SUMMARY:**

Join a vibrant campus community whose excellence is reflected in its diversity and student success. West Chester University of Pennsylvania’s Department of Computer Science invites applicants for the position of the Tenure-Track Assistant Professor, to begin in August 2017.

The normal teaching load is four classes per semester. Candidates are expected from the areas of Big Data, Software Engineering, and/or Security (with the preference given to risk analysis/management, vulnerability analysis, software security, supply chain, and/or virtualization) in order to teach a wide variety of undergraduate courses (for the Computer Science major, minors in information technology and web technology, and general education) and graduate courses in their area(s) of expertise.

**MINIMUM QUALIFICATIONS:**

Applicants must have a Ph.D. in computer science at the time of appointment and a strong teaching and research record.

**SPECIAL INSTRUCTIONS:**

Candidates should submit curriculum vitae, separate statements on research and teaching philosophies, and transcripts (copies are acceptable, but official transcripts are required at time of interview) via the link at http://agency.governmentjobs.com/wcupa/default.cfm. Early submission is encouraged.

In the first paragraph of the cover letter, the track of Big Data, Software Engineering, and/or Security must be addressed. Three letters of recommendation are also required and should be emailed to CSSEARCH@wcupa.edu. Please include the applicant’s name in the subject line. At least one of the letters should address the candidate’s teaching ability.
Review of applicants will continue until the position is filled. Applicants must successfully complete the interview process including a teaching demonstration to be considered as a finalist.

As required, a research topic presentation must be given in 60 minutes, which include a part of at least 15 minutes to the audiences of undergraduates.

The department is accredited by ABET, and recognized by NSA as one of the national centers of Academic Excellence in Information Assurance. The Computer Science Department (http://www.cs.wcupa.edu/) values faculty who balance excellent teaching with active scholarship.

Developing and sustaining a diverse faculty and staff advances WCU's educational mission and strategic plan, Building on Excellence. West Chester University is an Affirmative Action/Equal Opportunity Employer. Women, minorities, veterans, and persons with disabilities are encouraged to apply.

All offers of employment are subject to and contingent upon satisfactory completion of all pre-employment criminal background checks.
